

Philippians

Versus 1-11

CHAPTER 1: V= Verse

V3: "I thank MY God.." Paul is using "my" as a possessive pronoun. Are you seeking God enough that you feel like you are HIS?

V5: "Because of your partnership in the gospel from the first day until now." Are you consistent with reading the Word and staying committed to your walk with Jesus?

V6: "He who began a good work in you..." Have you ever felt like you were living in a waiting room? Do you trust the ONE who created you to help you finish what HE started?

V9: "Prayer for love, knowledge, and discernment." Take some time right now and ask God for these things in your life.

Versus 12-18

As you read through these versus, you may not be in an actual prison but define what your "prison" looks like, do you look for ways to advance the gospel through your circumstance?

Versus 19:30 Paul's Feelings

V19: "Through your prayers.." Do you ever need encouragement? That was the one thing that gave Paul strength. Are you willing to count your suffering it all JOY for the sake of Christ? Are you courageous for Christ?
