

Verses 1-13 The Sin of Partiality James Chapter 2 Worksheet

Ask yourself this, have you ever judged someone based on their appearance or status in the community? Have you whispered under your breath or made a comment about someone that is different from you? I believe that these scriptures are pointing us to LOVE everyone just like Jesus loves everyone.

Verse 5- ..has not God chosen those who are poor in the world to be rich in faith and heirs of the kingdom, which he has promised to those who love him?" Who did Jesus walk around and minister to?

Verse 8- ..you shall love your neighbor as yourself." I love this scripture, what a great reminder to love like Jesus.

Verses 14-26 Faith Without Works is Dead

Verses 15-17- This story shares about someone in need and the other person just sending well wishes without supplying the need. Ask yourself as you read this does God bring anyone to mind you could bless with a warm meal, card, or even as simple as water?

Verse 19.."Even the demons believe, and SHUDDER." I love this, the demons shudder just knowing and believing of our ALMIGHTY GOD. James gives us examples of faith and works with the story of Isaac (willing to sacrifice his son) and Rahab the prostitute (sent messengers away). This shows it doesn't matter your past if you accept Christ and choose to be obedient with serving and hard work that is all that matters. God transforms us and challenges us with things he puts on our hearts to serve. How can we be God's light be serving others TODAY?
