

## *Chapter 1- Grab your journal...*

Page 12-14: What does the Bible mean to you right now at this moment in your life?

Page 14: When was the last time you "questioned" God with questions similar to Angie's on the bottom of page 14?

Page 16: Has salvation ever confused you? Have you felt like it was a something you had to "learn" or a "club to be a part of? Have you ever been so concerned with "fulfilling" the requirements that you missed the heart of the gospel?

Page 18: Have you desired to know the truth but didn't feel like it could be possible for you to obtain it?

Page 20: Have you ever felt like your life was on "repeat" trying to understand a message at Church then failing each time as you try to live it?

Page 22: "The truth is that our journey with God isn't really about living, and He never claimed it would be. It is, and has always been, a gradual death to everything we love outside of Him."

Page 27: Do you have a healthy "fear" of God?

\*As you journal through chapter 1, I challenge you to ask yourself how you view salvation. Do you accept His free gift, or have you allowed the "chase" to muddy the truth?
